

Today's Reason to Drive Out the Bush Regime

The Bush regime knew a category 4 hurricane would wipe out the Black neighborhood of the 9th Ward and most people wouldn't be able to get out.

***They left people there to die.
They will do it again.***

Today's Reason to Drive Out the Bush Regime

The Bush regime has killed over 100,000 people in Iraq since the beginning of the war. Here, U.S. troops hold Iraqi protesters at gunpoint.

***They lied to justify going to war.
They would do it again.***

Today's Reason to Drive Out the Bush Regime

The Bush regime has Christian fascism as its core. Here, a fascist preacher thanks God for the murder of gay youth Matthew Shepherd.

***Their morality includes killing gays.
They will unleash this kind of terror.***

Today's Reason to Drive Out the Bush Regime

The Bush regime carries out torture and defends it. Bush said he would veto any bill with language promising not to use federal money to torture people.

***They are torturing prisoners.
They will continue to do it.***

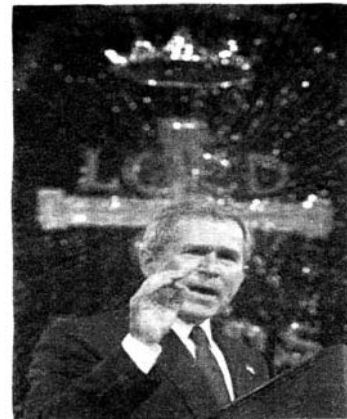

Today's Reason to Drive Out the Bush Regime

The Bush regime is changing the laws to take away civil rights. The Patriot Act is just the beginning if they have their way. Here, police search people in a New York subway.

***They are creating a police state.
They will take it all the way.***

Today's Reason to Drive Out the Bush Regime

The Bush regime is moving to run this country by the Bible. They are working to outlaw abortion, to silence dissent and critical thinking, to replace science with blind faith, and to force millions into submission.

They are already on their way.
