

EVICTIION NOTICE

UNITED STATES MILITARY RECRUITMENT CENTER
LOS ANGELES COUNTY

March 19, 2008
5th ANNIVERSARY OF THE IRAQ WAR

SUBJECT: Eviction

OCCUPANTS:

YOU ARE HEREBY NOTIFIED THAT you must vacate your office by April 18, 2008. The past five years of illegal and immoral invasion and occupation of Iraq have proven to us the criminality of your institution, and you are no longer welcome to come to our campus or occupy our neighborhoods. You have grown to be an unwelcome and unwanted intruder.

We are giving you ample time to leave the premises; and you are hereforth banned from returning to our campuses. The offenses charged include, but are not limited to: intruding on a center of education; falsifying information; betraying youth by sending them to death, suicide, and mental illness; murdering over a million Iraqi civilians; and breaking laws regarding human rights, including torture – the unforgivable crime against humanity.

We will no longer allow your crimes and atrocities to be committed not only in our backyard, but also in our names. We demand an end to these criminal activities by **April 18, 2008: SHUT THIS CENTER DOWN**. We are reclaiming our rights and our property, and expect your compliance with our notice to evict you from the premises.

Your cooperation is appreciated.
